AUTHORITY**

**Co-organized by:**  
**The Chinese University of Hong Kong Centre for Bioethics**  
**&**  
**Hospital Authority Clinical Ethics Committee**

**Clinical Ethics Day – Talk & Case Discussions**

**Date:** 23 April 2016 (Saturday)  
**Time:** 9:00 am - 12:45 pm (registration at 8:45am)  
**Venue:** Lecture Theatre, M/F, Hospital Authority Building, 147B Argyle Street, Kowloon

**Objectives:** To effectively engage the frontline colleagues, making them aware of the ethical dilemmas they may face in the course of their duties and clinical encounters, and provide opportunity to address the difficult situations in the context of ethical-moral principles and administrative-legal requirements.

- 1) **Talk** by Prof Alastair Campbell  
*Director, Centre for Biomedical Ethics, Yong Loo Lin School of Medicine, Singapore*  
“The Approach to Clinical Ethics Dilemmas”
- 2) **Clinical case discussions** by expert panelists including ethicists, lawyers and senior clinicians
  - a. Motor neurone disease patient requesting withdrawal of mechanical ventilation
  - b. Consideration of expensive drug in child with rare metabolic disease
  - c. To start Ryle's tube feeding in a dying demented patient
  - d. Disclosure of HIV status to family members of an incompetent patient

**All are welcome**  
**No pre-registration is required**  
**CME Point(s):1.5-3.5**  
**CNE Point(s):3.5**
