## DR. DERRICK AU

Dr. Derrick Au is Former Director and current Advisor of the CUHK Centre for Bioethics at the Chinese University of Hong Kong. Dr. Au graduated from Brown University Medical School in the US, returning to Hong Kong to serve in public hospital service, specializing in geriatric and rehabilitation. He took up hospital service administration positions in the Hospital Authority in 2010.

As Director of Quality & Safety (2014-16) his portfolio included overseeing clinical ethics, research ethics and technology assessment. Dr. Au is Ex-chairman of the HA Clinical Ethics Committee (serving from 2017 to 2020) and current Convenor of the Ethics Advisory Committee of the Hong Kong Genome Institute (from 2020). Recent publications are in the areas of health care ethics, public health ethics, end-of-life care and euthanasia.
